Building with Cob
18th-26th June 2016
curated by Cristina Ibba

Building with Cob is a 9 days residency, concerning theoretical and practical aspects of this fascinating art. The earthen building techniques will be presented to our participants, to realize a cob and straw-clay product, starting from the foundations to end with finishings.

Contents:

- Earthen Architecture in the World
- Earthen Building sites
- Constructing an earthen building

Workshops:

- Stones and reclaimed materials foundations
- COB and straw-clay walls
- Window fixtures Carpentry
- Plant Design for a COB building
- Earthen Plasters

Events:

- St. John night: Summer Solstice
- Botanical Walk to pick up and gather Solstice's Herbs
- Jump of the fire and convivial dinner
- Projection of the documentary film: "Su Tempus Torrau" (The returned Time) – An invitation to meditate and finding answers in ourselves and in our know-how historical memory.

Price: 450€ (accommodation and meals included)

Accommodation and Meals:

Participants can stay in a camping area we set up specifically for this purpose. The price will cover three meals per day, toilets, showers and a beautiful relax area with olive and citrus trees in the farm "Sa Poderosa".

Alternatively participants can book independently in the following B&Bs:

<http://www.bbaltea.it/> or <http://www.hotelcrocus.it/>

Deadline for reservation and booking: 31st May 2016

Online form: https://docs.google.com/forms/d/199ZEM_wt-ZmPTcpmTyWaOJD6E9Tjo55IorvFo6Le1VE/viewform?c=0&w=1&usp=mail_form_link

We ask kindly our participants to pay a deposit of the total amount at the moment of booking (150€). The second part of the sum can be paid within the first day of the course.
